NOTICE TO ALL INVESTORS

The Receiver sent letters to all known investors with a Proposed Claim Amount at the end of July 2009. This letter is the beginning of the claims process, which will result in a distribution of funds to investors.

Unfortunately, records obtained by the Receiver from all sources do not contain address information for about 75 investors. If you are an investor in this matter, and do not receive a letter by August 17, 2009, please notify us by facsimile or U.S. mail.

Very truly yours,
