Notice to Investors
March 1, 2010

On February 11, 2010 the United States District Court appointed Robb Evans as Special Master.

The purpose of the Special Master is to calculate the amount of loss each victim suffered and to prepare a written report of victim losses. The Special Master will submit his report to the United States Attorney's Office.

The United States Attorney's Office has provided the Special Master a great deal of investor information including questionnaires investors submitted to the United States Postal Inspection Service and investor files maintained by Best Diamond Funding. The Special Master has started to analyze this information. It is not necessary for you to provide any documents to the Special Master at this time. If the Special Master needs information from you, he will contact you.

The Special Master will work as fast as possible to complete this process. However, at this time, the Special Master cannot estimate when the process will be completed.
