COMPLETED DISTRIBUTIONS:

The Receiver has completed the Distributions provided under the Settlement Agreement and the Redress Fund is closed. There will be no more distributions, and the Receivership is terminated.

The final distribution, completed April 25, 2006, was an additional 12% of the approved claim balances, bringing the total distributions to 36% of approved claim balances. In May 2003, the Receiver completed an initial distribution of 23.76% of approved claim balances.

After **July 20, 2006**, any checks that remained uncashed for any reason were voided and will not be paid.

If you were eligible for a final distribution check (not an ineligible claimant) and did not receive or cash your first check, the total of the 1st and 2nd distribution amounts was your final distribution check.

The Receivership has completed its duties and directions in the Orders issued by the U. S. District Court. The Receivership is terminated and there is no additional information.
