To: TLC Investments & Trade Co. California Investors

In response to suggestions from a number of investors, we have indicated that meetings will be scheduled to permit you to raise any questions you may have about the TLC situation. We have scheduled a meeting in Fresno on Thursday, June 21, 2001 at 5:30 p.m. to be held at Satellite Student Union, California State University, Fresno, 2485 E. San Ramon Avenue, Fresno, CA 93740.

I will have a few comments and then open the floor to you. I would anticipate that the meeting will last about an hour or a little more. It is unlikely that we will be able to provide information that was not already provided in our most recent court report or that is not available on our web site, so do not feel that your attendance is necessary. We simply want to give you an opportunity to ask questions and express concerns if you wish. Enclosed is a registration card. If you are planning on attending, please send back the card immediately.

I am indebted to Sergeant Snow of California State University, Fresno for making their facilities available to us.

Very truly yours,

Robb Evans
