Dear Sir or Madam:

Our Notice mailed to you on October 24, 2001 advised, that incomplete, or unsigned petitions or questionnaires would not be approved. Although the date for submission of petitions has expired, the Trustee has decided to provide you a final opportunity to submit a properly completed and signed petition and questionnaire, which will permit evaluation of your claim.

You can download the Petition and Questionnaire forms or request your acquaintance who has Internet access to download the forms from our web page [www.robbevans.com/html/wilcoxpage.html](http://www.robbevans.com/html/wilcoxpage.html). If you want the forms mailed to you, send us a request letter to the above address with a self-addressed envelope postage prepaid (57 cents if within United States). **Note that this letter is being sent to only those who did not send the petitions and questionnaires.**
