Notice to Consumers Regarding Last Day to Pick-Up Inventory

On September 24, the Temporary Receiver notified consumers that inventory housed at the SPB warehouse is available for shipment back to consumers.

The Temporary Receiver has not been contacted by some consumers to make arrangements for their inventory to be retrieved.

It is important consumers wishing to have their inventory make arrangements immediately.

As we stated previously, there are insufficient funds in the Receivership Estate to cover the cost of transporting inventory, consumers will need to provide for the cost of shipping. The procedure is as follows:

- Contact your preferred shipper to determine the cost of shipment
- Obtain prepaid mailing labels.
- Obtain bill of lading.
- ***DO NOT SCHEDULE A DATE FOR PICK UP.*** *You will be notified of an appointed date.*
- Forward by e-mail the prepaid mailing labels and the bill of lading to spb@robbevans.com.
- Allow 48 hours for the Temporary Receiver to schedule.
- The Temporary Receiver will notify you when the inventory is ready so you may schedule pick up.

The warehouse ships on Tuesday through Friday, 10 AM – 2 PM CDT.

The Temporary Receiver has very limited information about packaging. We are happy to share with you the information we have.

The last day for pick-up from the warehouse is Thursday, October 18. Any inventory not picked up by noon that date will be disposed of.

If you have any questions, please contact Coleen Callahan at 818-683-1053.
