### *Notice to Investors and Creditors of the Receivership Entities*

May 16, 2006

At a hearing on May 15, 2006, the District Court determined that matters raised by the Receiver's motion as to the nature, extent, validity and priority of liens and the procedures for the liquidation of the real properties would be better determined by a Bankruptcy Court in the context of a bankruptcy proceeding.

The Court also directed the Receiver to file a recommended course of action considering the Court's determination within seven days, with responses due seven days later, and the Court's decision on the filings to follow.

There is no additional information on the process or the effect on claims.

Very truly yours,

Robb Evans & Associates LLC  
Receiver
