**SPECIAL REPORT OF RECEIVER DATED MAY 12, 1999**

Pursuant to the Court's Order re: Findings of Fact and Conclusions of Law re: Plaintiff's Application for Order to Show Cause Why Defendant Ken Taves Should Not Be Held in Contempt with respect to the transfer of the real property at 6837 Zumirez Drive on March 5, 1999 by Satmax Family Limited Partnership, defendant Ken Taves was required to deposit the sum of \$2,050,000.00 into the receivership estate within seven days from the date the Court signed the Order or by May 5, 1999 at the latest, in order to purge his contempt. It is my understanding that, at the Court's May 4, 1999 hearing in connection with Mr. Taves' second contempt, the Court extended the deadline to make this payment through and including May 11, 1999.

This report is made to inform the Court that, as of May 12, 1999, the receivership estate has not received from Ken Taves or from any other person or entity the sum of \$2,050,000.00 to purge Mr. Taves' contempt as to the Satmax transfer of the Zumirez property.

Respectfully submitted,
