## **To Creditors of Consumer Customers of the Receivership Defendants Listed in the Letterhead:**

On April 23, 2004 the Federal Trade Commission filed a lawsuit against National Consumer Council, London Financial Group, National Consumer Debt Council, LLC, Solidium, LLC, J. P. Landis, LLC, Financial Rescue Services, Inc., et al. The Federal Trade Commission has alleged that the companies violated the FTC act by Misrepresentations and Omissions and violated other Regulations and Acts.

On May 3, 2004 the United States District Court entered an Order appointing Robb Evans & Associates LLC as Temporary Receiver, and thereafter, on May 21, 2004, National Consumer Council, London Financial Group, National Consumer Debt Council, LLC, Solidium, LLC, J. P. Landis, LLC, Financial Rescue Services, Inc. and United Consumers Law Group, P.C. , et al., each entered into a Stipulation and Preliminary Injunction for the appointment of Robb Evans & Associates LLC as Receiver and continuation of an asset freeze and other relief.

Pursuant to the Preliminary Injunctions entered as to all parties by the United States District Court on May 21, 2004, the businesses are now closed and all debt negotiation services and legal services have ceased. You can obtain a copy of the various Court Orders on the Receiver's website at [www.ncc-receiver.com](http://www.ncc-receiver.com).

The Receiver has control of all funds of the Receivership Defendants and computer and other records. The Receiver's goal is to return, as soon as possible, to the consumer all remaining funds that are held in a trust account for the purpose of paying debt settlements. The Receiver is completing the reconciliation of accounts and verification of other possible claims, and will apply for Court approval to complete the return of funds to consumers.

**While the reconciliation process is being completed and Court approval is obtained, the Receiver has informed consumers that all debt negotiation**

**services and all legal services previously provided by the Receivership Defendants have ceased.**

**You are encouraged to receive or initiate contacts with your consumer customers that were previously represented by the Receivership Defendants (listed in the letterhead) and begin or resume the settlement discussions that may have been in progress. Again, the Receiver's goal is to return, as soon as possible, to the consumer all remaining funds that are held in a trust account for the purpose of paying debt settlements.**

As new information becomes available, including Court approval to return funds to consumers, it will be available on the Receiver's web site at [www.ncc-receiver.com](http://www.ncc-receiver.com).
